age-appropriate evalua	tion. These are examples of what	vision, not just your team. Remember that this sh you might look at depending on age of team. Yo below but rather how they might compare to pee	unger ages
1= Advanced-	High impact player; can car	ry a team; excellent individual and team skills	; leader.
2= Above Average-	Strong player; good individual and team skills; very good at multiple positions or excellent at one position (e.g. goalkeeper); would make any team better.		
3= Average-		kills and understanding of the game; generally	, does
4=Below Average-	Below average player; does	not have basic skills or game sense.	
5=Least skilled-	Players who have never played before; have little skill or understanding of the
