HIGHLIGHTS

- Please use common sense when turf is saturated or in poor condition---use an alternate area on premises or an alternate site.

- Please adhere to our field sites (above) or green space around them. Do not practice elsewhere, as our insurance does not cover other locations.
- Please make an effort to clean debris/garbage from any field after practice or play.
- Teams are encouraged to practice/scrimmage together, especially for teams with small numbers of players (U5 thru U8) for a better practice experience.
